Families Save Over 33% with Free Hotel Night & Kid's Meals During Spring Break in San Diego on the Gaslamp Quarter's Waterfront

- "Sunshine on Sale" Package: Free 3rd night, kids 12-and-under eat free with a paying adult and no charge for the family pet in downtown San Diego, home to lots of interesting family activities

San Diego Waterfront – The "Sunshine on Sale" lodging and meal package at the Manchester Grand Hyatt San Diego will result in savings of well over 33 percent for a family of two adults, two children 12-and-under (or one adult and three children) and a cat or dog up to 50 pounds, available now through May 27, 2010.

The savings occur when the hotel room price for the 3rd night is deducted at checkout and free breakfast, lunch and dinner every day for the kids from the Johnny Venture menu, when an adult purchases a regular meal. Kids' meal options include scrambled eggs, bacon and hash browns for \$4.95, pasta and meatballs or chicken nuggets for \$5.99, apple juice for \$1.95, and for dessert a milk shake for \$2.95 or chocolate or vanilla ice cream for \$3.95.

Savings will vary as rates are based on availability at San Diego's stylish Grand Hyatt, an urban resort on the Gaslamp Quarter's waterfront. All dates/rates are online (www.SunshineOnSale.com) and at (800) 233-1234. Reservations for the "Sunshine on Sale" package must be made in advance, and a minimum three-night length of stay is required for this package.

Additional value is found in families having much to do in downtown San Diego –all very near the Grand Hyatt: go whale watching through April, tour the USS Midway Museum, explore the Children's Museum, tour PETCO Park, home of the San Diego Padres baseball team, roam the Maritime Museum, board the Star of India, a British merchant ship, tour the Berkeley, a 1898 ferryboat, or the Medea, a 1904 steam yacht that sailed around Scotland, stroll, bike or rollerblade the wide boardwalk of San Diego Bay, explore Seaport Village's four miles of tree-lined paths and find all sorts of entertainers doing their thing: bands, singers, dancers and magicians or tour the bay in a water taxi. The San Diego Zoo and Sea World are each just a short drive from the Grand Hyatt.

Offering four-star accommodations and spectacular views, the stylish Manchester Grand Hyatt San Diego is the tallest building on the West Coast waterfront. Lavish amenities include two water-view pools and whirlpools on spacious, inviting pool decks with food and drink service, the secluded Kin Spa, tennis (lessons available), basketball, shuffleboard and more games, as well as an expansive, state-of-the-art fitness center overlooking San Diego Bay. Bike rentals are available at the hotel too –as are darts and billiards.

Award-winning onsite dining and nightlife options include Sally's Seafood on the Water and the Top of the Hyatt sky-lounge, offering unequaled sunset views over the Pacific Ocean, with San Diego Bay and Coronado in the foreground. The Hyatt is only a few-blocks stroll from the heart of the Gaslamp Quarter, site of Petco Park and ample shopping and nightlife. Babysitting can be arranged so parents can combine family daytime fun with walk-able nightlife. When it's time to trade the raucous late-night fun of the Gaslamp party scene for the tranquility of the waterfront Hyatt - and a peaceful night's sleep- there is NO driving involved.

Also steps from the Hyatt are San Diego Bay's most convenient rentals and charters for sailing, kayaking, power boating, personal watercraft, as well as big-game fishing, waterskiing, whale watching and dinner cruises. Next to the Hyatt is shopping at Seaport Village and it's a short walk to Horton Plaza's 100-plus specialty stores, including Macy's and Nordstrom, along with movie theaters and the Lyceum Theatre, home of San Diego Repertory Theatre. Also within a brief walk from the Hyatt is the Midway Aircraft Carrier Museum, and it's just a short drive to famous beaches, golf, Sea World, San Diego Zoo and the museums of Balboa Park. The airport is three miles away.

Views and comfortable elegance define the hotel's 1,625 guest rooms, each a spacious 340-square feet. Every guest room has at least partial water or city views and most offer spectacular water views, including panoramic vistas of the Pacific Ocean. Guests can upgrade to a Deluxe Bay View Room, a corner room providing panoramic views of San Diego Bay and the Pacific Ocean from floor to ceiling windows on two walls. The stylish decor of all these accommodations includes windows that open to capture sea breezes and either one king or two double Grand Beds fitted with luxurious linens and down duvets over pillow-top mattresses and a generous work area. There is 24-hour room service, wired and wireless high-speed Internet access (fees apply) and complimentary San Diego Union-Tribune newspapers are available upon request. Deluxe amenities include pampering Portico bath products, a hairdryer, coffee maker, cable/satellite TV channels, iHome alarm clock/radio, analog phone line, air conditioning and heat controls, in-room safe, iron/ironing board, 25-inch or larger TV, video on demand, voicemail and video checkout. Cribs are offered upon request at no charge and rollaway beds for \$10.00, except in rooms with two double beds. Maximum guests per room are four.

This offer is not valid for groups or conventions and may not be combined with other promotional offers. All hotel reservations are subject to availability. Prices are based on double occupancy, standard

guestroom accommodations unless otherwise noted. Additional charges apply to room-type upgrades. Free night deducted at time of check-out. Free night is not combinable with Family Plan rooms. Each child must be accompanied by a paying adult. Free meal is valid off Johnny Venture menu or existing children's menu. Additional guests may be subject to additional hotel charges. A limited number of rooms are allocated to this promotion. Promotional blackout periods may apply due to seasonal periods or special events, and normal arrival/departure restrictions apply.
